

# ***Alan Breese Boats***

Alan Breese, our late Commodore, was a fine model builder.

When he died, in 2018, he left behind a large collection of fine boats, the result of many years of model building.

His widow, Jenny, now wishes to dispose of some of Alan's collection, and has for sale a total of thirteen of Alan's models, illustrated and described below:

Canadian Corvette - K129	[Now Sold]
Sir Lancelot - T228	[Now Sold]
Minesweeper - M1166	[Now Sold]
Harbour Tug - Mustang	[Now Sold]
MTB 794	
Battleship - HMS Ramilles	
Aircraft Carrier	
Ocean Going Tug - Cruiser	[Now Sold]
Unpowered Towed Barge	[Now Sold]
Submarine - U564	
Harbour Tug - Smit Polen	[Now Sold]
Ocean Going Tug - Yorkshireman	[Now Sold]
Dutch River Barge	[Now Sold]

Offers for each of these boats are invited, and all will be sold as seen.

All of these boats are still in the possession of Jenny Breese, and arrangements can be made for prospective purchases to inspect them at Jenny's home, in Macclesfield.

George Barrett, our exhibitions Secretary, and a long time friend of both Alan and Jenny is co-ordinating the Club's assistance in disposing of these models. Please contact George on 0161 428 3279 or Geoff Garside, our Hon. Treasurer, on 0161 980 8054, for further information.

# MTB 794

Length = 58 inches  
Beam = 11 Inches
